

LAW ENFORCEMENT

FIELD-READY CASES

All SKB Field-Ready Cases are purpose-built to provide mil-spec, watertight transport solutions for applications requiring both maximum protection and rapid field-deployment of sensitive equipment and mission-critical gear. Featuring virtually indestructible construction that meets or exceeds MIL-STD-810H and/or STANAG 4280, SKB Field-Ready cases have been meticulously engineered to ensure secure mobility and functionality for a wide variety of in-the-field deployable equipment, which includes everything from small and large firearm arsenals to satellites, monitors, communications gear, and more.

iSERIES CASES

SUPERIOR PROTECTION IN 70+ SIZES

All SKB iSeries cases are injection molded of ultra-high-strength polypropylene copolymer resin, and feature a gasket-sealed, water and dust-tight, submersible design that is resistant to corrosion, UV, solvents, fungus, and impact damage **to meet or exceed MIL-STD-810H**. Other standard features include a molded-in hinge, patented Trigger Latch® System with TSA-retrofittable latches, comfortable snap-down rubber over-molded cushion grip handles, automatic ambient pressure equalization valve. Additionally, all SKB iSeries cases are proudly made in the USA and come with an unparalleled lifetime warranty.
